Miami - Royal Caribbean International is closely monitoring the path and progress of Tropical Storm Emily to ensure our guests enjoy safe and comfortable cruises, as well as to ensure our ships steer clear of the storm.

The safety and comfort of our guests are always the foremost concerns of Royal Caribbean International.

Given Emily's current location and projected path, we are altering the itineraries of three Royal Caribbean International ships.

- **Mariner of the Seas** which departed Port Canaveral on Sunday, July 10, is sailing a modified itinerary, remaining at sea today; making a port of call at Labadee, Hispaniola, Wednesday; remaining at sea on Thursday; making a port of call at Cozumel, Mexico, Friday; spending the day at sea Saturday; and returning to Port Canaveral Sunday, as scheduled.
